Scottish mountains poking out of the atmosphere, on the verge of space, framed by a Scottish flag.

*micro would be written in white, but I didn't have a white pen

The rocket rises with the sun. A skylark pictured above the rocket to signal it's flight to come.

The outline of a skylark in a highland clan tartan (Macqueen) on a space background with 'micro' written in gold letters and a red rim round the heptagon.
